

# Right behaviour in case of fire

Above all - don't panic!

## 1. Alarm

- Dial fire brigade emergency call **122**
- Identify yourself
- What's burning
- Where's it burning

## 2. Rescue

- Bring injured people to safety
- Warn other people
- Close doors
- Do not use the elevator

## 3. Extinguishing the fire

- Get the fire extinguisher
- Fight the fire
- Brief the fire brigade
